### **OMNI CABLE IS NAMED DISTRIBUTOR FOR BELDEN PRODUCTS**

OMNI CABLE (Philadelphia, PA), a master distributor serving electrical distribution in the United States, announces a new partnership with Belden.

"We are proud to partner with Belden joining two of the most recognized names in the wire and cable industry. Our dedication to the wholesale electrical distribution community, over the past 32 years makes us the market choice for delivery of the Belden product line and support of the distribution channel," comments Jeff Siegfried, CEO of Omni Cable.

Andy Adams, president of the Industrial Solutions Division of Belden, remarks, "Omni Cable provides outstanding service and support for their customers' cable needs. They are the obvious choice for expanding Belden's coverage of electrical distribution. We look forward to this partnership, one that is sure to bring outstanding value to our customers."

#### **About Omni Cable**

Omni Cable, an ESOP company, is a master distributor of specialty wire and cable sold exclusively through electrical and electronic distribution. Stocking locations include: Philadelphia, PA; Atlanta, GA; Boston, MA; Chicago, IL, Denver, CO, Houston, TX; Los Angeles, CA; St. Louis, MO; San Francisco, CA and Tampa, FL.

#### **About Belden**

Belden is a customer focused company that ensures that its customers' communications infrastructure issues are resolved and that they benefit from the best signal transmission performance for their investment. Belden delivers leading-edge copper and fiber cabling/connectivity systems, wireless technologies, and active switch devices. It employs customer-centric go-to-market strategies and it implements and retains world class manufacturing processes. Belden's partners span the globe, helping customers design, install, operate and maintain their communications applications. The company's experience is vast, including expertise in Enterprise, Industrial, Infrastructure, Transportation, Professional and Enterprise Audio and Video, and Government applications. To obtain additional information contact Investor Relations at 314-854-8054, or visit Belden's website at [www.belden.com](http://www.belden.com)
