CHRIS REGAN NAMED OMNI CABLE BRANCH MANAGER

OMNI CABLE (West Chester, PA) has appointed **Chris Regan** as the **Branch Manager – West Chester, PA**. “Chris provides enthusiasm, product knowledge, extensive customer relationships, and a true passion for our customers and the industry,” comments Jeff Siegfried, President and CEO of Omni Cable. “His experience with Omni Cable has covered every facet of our business; we are thrilled have him run our branch location in West Chester.”

Regan, a ten-year veteran of Omni Cable, has gained experience throughout his tenure at Omni Cable. He started in inside sales, moved to outside sales, National Account Management, and now to branch manager. Regan states, “I view all of my career moves as valuable learning opportunities for our customer base. We are a “customer first” organization, and I welcome the challenge to work with the entire staff here in West Chester to make Omni Cable our customers’ first choice for specialty wire and cable.”

Regan will also move his branch into a new 80,000 square foot facility in early March 2005. “The new facility will provide a greater breadth of material, better logistics, and truly the chance to service our customers even better than our current location,” comments Regan.
