OMNI CABLE ANNOUNCES AN INCREASE IN THEIR ALUMINUM LINE

Omni Cable is making changes to expand their already extensive aluminum line. As a result of success with their currently stocked aluminum cable, Omni Cable is adding 12 new items to their line, as well as increasing inventory levels of the Aluminum Stock.

The new items added to Omni Cable's aluminum line include ACSR, AAC, as well as Duplex, Triplex, Quadraplex URD and Aerial cable.

Pete Comber, the EVP of Sales and Marketing, commented on the recent increase in aluminum cable. "Aluminum cable is a necessity in the world of cable distribution". Pete also added "These new additions should help Omni Cable become a reliable source for any aluminum needs. Whether it is AAC, Service Drop, ACSR, or Aerial Cable, Omni Cable can provide distributors with all types of aluminum cable".

Omni Cable, an ESOP company, is a master distributor of specialty wire and cable sold exclusively through electric and electronic distribution. Our stocking locations include Philadelphia, PA; Atlanta, GA; Boston, MA; Chicago, IL; Denver, CO; Houston, TX; Los Angeles, CA; San Francisco, CA; St. Louis, MO and Tampa, FL.
