JOSH KEY NAMED OMNI CABLE GENERAL MANAGER

OMNI CABLE (West Chester, PA) has appointed **Josh Key** as the **General Manager – Tampa, FL**. “Josh brings vast industry experience and excellent relationship building skills to the table” comments Pete Comber, Executive Vice President of Sales and Marketing for Omni Cable. “He is highly motivated and anxious to make the most of the vital territory of Florida.”

Key, a six-year veteran of Omni Cable, has gained experience throughout his career at Omni Cable. He brought a wealth of knowledge and industry experience after working with Graybar. Josh started in Inside Sales with Omni Cable, transitioned into Outside Sales, then Account Manager before being promoted into the Sales Manager for Atlanta, and now to General Manager of the Tampa branch.

“I am honored to work for such a great company that cares so much about its employees.” comments Key. “The same concern is also carried out in our relationships with vendors and most importantly with our own customers. For a company that has grown exponentially in such a short time, there is still a feel of family and team here at Omni Cable.” For additional information, visit omnicable.com or email Josh at jkey@omnicable.com.
