### **OMNI CABLE'S GEORGIA BRANCH UPGRADES FACILITY**

(Atlanta, GA)...Omni Cable's Georgia branch is relocating to a larger facility in Norcross, GA. The new location is outside of Atlanta, just six miles from the previous location at 405 Pinnacle Court in Norcross, GA.

The upgraded warehouse is significantly larger, which allows the branch to expand its inventory to over \$5 million.

Omni Cable strategically locates all of its branches close to major highways and easily accessible roads. The Georgia branch is now located only seconds off of I-85.

Branch Manager of Omni Cable's Georgia Branch, Steve Sweat, comments on the new location: "Our new location is even more convenient for will calls, and in the heart of electrical distribution." Steve also adds, "Time and convenience is very important to our customers, who have little lead time and high demands for the best customer service available."

Omni Cable, an ESOP company, is a master distributor of specialty wire and cable sold exclusively through electrical and electronic distribution. Other stocking locations include Philadelphia, PA; Boston, MA; Atlanta, GA; Chicago, IL; Denver, CO; Houston, TX; Los Angeles, CA; San Francisco, CA; St. Louis, MO and Tampa, FL.
