OMNI CABLE'S SAN FRANCISCO BRANCH MOVES LOCATION INTO A NEW, LARGER FACILITY

(San Francisco, CA)...Omni Cable's San Francisco branch relocates to a larger, more modern building at 2915 Whipple Road, Union City, CA 94587. The branch is still in the San Francisco Bay Area and is located only 2 minutes from its previous location,

The new location is much larger, with over 30,000 square feet, which allows the branch to expand its inventory to over \$3.5 million.

The branch is located only seconds from I-880, which provides great access for will calls.

Pete Comber, EVP of Sales and Marketing, commented on the move.

"The San Francisco Branch has had so much success at its previous location. Now there is even more room for the branch to expand and increase its presence in the region."

Omni Cable, an ESOP company, is a master distributor of specialty wire and cable sold exclusively through electrical and electronic distribution. Other stocking locations include Philadelphia, PA; Atlanta, GA; Chicago, IL; Denver, CO; Houston, TX; Los Angeles, CA; San Francisco, CA; St. Louis, MO and Tampa, FL.
